

FREE EDUCATIONAL LITERATURE: MS & BODY COOLING

Do your clients with multiple sclerosis have questions about managing their heat sensitivity this summer?

Fax or e-mail us the order form on the back to request FREE sample products, catalogs and brochures!

EACH PERSON'S MS IS DIFFERENT

It is important for your clients to find the right type of cooling for their unique situation. We are happy to send a sample vest to your clinic or organization for your clients to try firsthand, as well as informational materials to help them make informed decisions about the best cooling for their individual needs.

LA LITERATURA EDUCATIVA GRATUITA DE POLAR YA ESTÁ DISPONIBLE EN ESPAÑOL. ¡CONSIGA LA SUYA HOY JUNTO CON UNA MUESTRA GRATIS!

COOLING VESTS FOR KIDS & TEENS

Heat-sensitivity can be a difficult symptom for an active child or teenager with MS or other neurological conditions, such as epilepsy. Our comprehensive line of pediatric cooling vests and accessories is safe, comfortable and effective!
