## ***Polar Non-Profit Cooling Program***

***Polar has years of experience providing services, products and educational information to assist non-profit organizations!***

### ***Key components of our program:***

- We will send cooling vests and accessories directly to your clients at no extra cost
- The non-profit is automatically notified via e-mail when a system is sent
  - We will include in your client's shipment any information, surveys or brochures you would like.
  - Our goal is no call backs to you. We will work with your clients when size exchanges or product replacement is needed, leaving you free of the hassle
  - Free easy to understand and targeted Cooling / therapy brochures at your request
  - Free sample vest and accessories to demonstrate the product to your client.
  - We provide "Solutions for Cooling Every Body!"  
We have the right system for your client's particular climate, application or need: Kool Max® water base, Cool58™ phase change, Cool Comfort® hybrid, Evaporative, Cool Flow® active, Quick Cool® and more!
- Manufacturer direct pricing!

***Have a special request or requirement? We are happy to work with you.***
