

FREE Educational Literature

Do your clients with MS have questions about managing their heat-sensitivity this summer?

Fax or e-mail us the order form on the back to request FREE sample products, catalogs and brochures!

EACH PERSON'S MS IS DIFFERENT

It is important for your clients to find the right type of cooling for their unique situation. We are happy to send sample vests to your clinic or organization for your clients to try firsthand, as well as informational materials to help them make informed decisions about the best cooling for their individual needs.

La literatura educativa gratuita de Polar ya está disponible en español. ¡Consiga la suya hoy junto con una muestra gratis!

COOLING VESTS FOR KIDS AND TEENS

Heat-sensitivity can be a difficult symptom for an active child or teenager with MS and other neurological conditions such as epilepsy. Our comprehensive line of pediatric cooling vests and accessories is safe, comfortable and effective!

Request our Pediatric Cooling brochure for details.

ATTENTION: NEUROLOGY OFFICES

Cold and heat therapy can complement migraine and headache pain relief methods prescribed by doctors. Polar manufactures a diverse line of effective, professional-quality cold and hot therapy products, including the Cool Flow® Head Cap (shown at left).

See our brochure featuring our best-selling cold and heat therapy products for migraines and headache relief!

Polar Products Inc. is the leading worldwide manufacturer of high-quality, effective and affordable body cooling products for people with multiple sclerosis (MS). Learn more about our company and products at www.polarproducts.com.

SAMPLE AND BROCHURE ORDER FORM
