

TESTIMONIALS

"I ordered your Kool Max® Zipper Front Vest and couldn't be happier. This is truly the best investment I've made this year! Finally, I'm able to be outside and can work in my flower garden when the thermometer reaches 90 degrees!"

Peggy in Maine

"This is my third year using the Kool Max® Industrial Vest. It provides the cooling relief needed while working in a hot factory."

Lawrence in Michigan

"I am very active – bike riding, gardening etc. – and it's all thanks to this Kool Max® vest! Love, love, love it!"

Becky in Chicago, Illinois

"I have severe heat intolerance. I wanted to be able to enjoy outdoor activities again and found your Kool Max® cooling vest. I wore it to the beach and was able to enjoy myself."

Lacey in Louisiana

"Thank you so much for the Kool Max® Vest. I'm now able to take long walks and work in my yard without getting heat exhaustion. I feel like my old self again."

J. in Austin, Texas

"I live in Yuma, the sunniest city in the world, in the arid desert. Summers are brutal. This Cool58™ vest has given me freedom to go outdoors."

Mary in Arizona

Body Cooling Product Guide

You are unique

There is no "one size fits all" choice for body cooling.

Polar Products manufactures every major type of personal cooling technology. We offer the most effective products to meet your individual needs!

"What type of cooling is best for me?"

Kool Max® Water-based Cooling Packs

- Provide the highest level of cooling in any environment for up to 3-4 hours.
- Reusable packs require access to a freezer and time to freeze.

Cool58™ Phase Change Cooling Packs

- Reusable packs freeze at 58 degrees Fahrenheit and provide comfortable cooling at a constant 58° F for up to 1.5-3 hours.
- Can be charged in a bucket of ice water. Ideal choice when freezers are not available.

Cool Comfort® Water-activated Hybrid

- Submerge in water to activate cooling.
- Gain additional cooling by chilling or freezing the activated garment.
- Natural evaporative cooling in low humidity.

Visit www.polarproducts.com to see our full line of body cooling technologies.

Kool Max® and Cool 58™ Cooling Pack Vests

Discreet pockets can hold either type of cooling pack, so you can choose which is best for your needs. (You may want to order both!) Patent pending spinal pocket placement allows you to adjust the number and location of packs for your optimal cooling.
