what women are saying.

"You sell a wonderful product! I LOVE the cooling pillowcase. It has been a lifesaver for me at night. It really helps me fall asleep."

Suzanne in Coarsegold, CA

"I just wanted to say thank you to Polar for getting me through the hot days of summer. I am 8½ months pregnant and the KMA ankle wraps and KMNC neck wrap have been lifesavers in keeping me cool as well as reducing swelling. I highly recommend all of these products for expectant mothers."

Stephanie in Akron, OH

"I personally use the Thera-Temp Microwaveable Moist Heat Wrap and find it to be the best and most effective source of moist heat available on the market."

Heidi Jo Knudson  
Massage Therapist, Extraordinary Journey's  
Center in Stillwater, MN

"I am CEO of Natural Health Resource Center and have been using Polar's Roller Ice Magnetic. I love the product. I recommend this unique and effective product."

Yvonne Courtney  
CEO, Natural Health Resource Center in FL

"I always keep my cooling pillow case close at night for whenever those nasty, unexpected hot flashes occur!"

Jill in Cherry Hill, NJ

"I am perimenopausal, and suddenly, I am hot all the time! My biggest heat stress is my church choir, when I need to wear a neck-to-ankles-to-wrists choir robe. With the Phase Change Bra Coolers, I feel relief for nearly an hour. I keep an extra set with me to change out as needed. They are small, discreet, and effective!"
