# POLAR Products

Drug-Free Post-Surgery Pain Management

Polar is a GSA Contract Holder! FSS #V797D-30220

## Active Ice® Circulating Cold Water Therapy System Features:

- **9-Quart or 15-Quart Cooling Reservoir**

Larger cooler offers convenient extended cooling and minimizes ice refill. Easy to use for effective cold therapy; simply fill the reservoir with ice and water!

#AIS 9-Quart System: GSA \$141.60

#AIS 15-Quart System: GSA \$172.00

- **30-Minute Timer, On/Off Switch**

Or both! Safe and effective.

- **Universal U-Shaped Bladder**

Can be used on nearly any part of the body! Fits into targeted compression wraps.

- **Compression Wraps**

Now included with the system! Choice of lumbar, hip, knee or shoulder wrap.

*Polar's Active Ice® System is proudly made in the USA.*
